

## PREVAIL™ Matte Finish

### PREVAIL™ Matte Finish

Prevail™ Matte Finish renews the look of luxury vinyl tile and plank by Metroflor®, even those featuring urethane coating with ceramic bead. Prevail™ Matte Finish provides tough, long-lasting wear and stain protection with a low-gloss glow resembling the original factory finish. It is fast and easy to apply, and adheres beautifully to the surface wear layer of both tiles and planks.

#### PREPARATION:

Sweep thoroughly or vacuum without the use of a beater bar, then clean using Prevail™ 1-Step Neutral Cleaner. Remove previously applied Prevail™ finishes using Prevail™ Vinyl Stripper.

- **Damp Mop:** Recommended for everyday maintenance and light-medium soil levels. Dilute 2-3oz per gallon of water. Apply cleaning solution using a damp mop. No rinsing required.
- **Hand Scrub:** Recommended for medium-heavy soil. Dilute 3-4oz per gallon of water. Spray or mop on cleaning solution. Gently scrub using a light to medium-duty pad or brush. Do not allow to dry. Rinse with clear water.
- **Automatic Scrubber:** Recommended for heavy soil and commercial applications. Dilute 2-3oz per gallon of water. Mop on cleaning solution and scrub using an automatic scrubber. When floor is dry you will note a light film residue. Remove residue using a low-speed (UNDER 300 rpm) buffer fitted with a white polishing pad. No rinsing required.

#### APPLICATION:

Apply Prevail™ Matte Finish to a clean floor using a fresh mop or applicator.

- **Refresh and Renew:** Apply 1-2 coats to improve the appearance of luxury vinyl flooring. Let dry at least 30 minutes between coats.
- **Protect and Preserve:** Apply 3-5 coats, depending on traffic level and desired protection. Let dry at least 30 minutes between coats.

#### CAUTION:

Avoid contact with eyes. Do not take internally. Keep out of reach of children.

#### FIRST AID:

In case of contact with eyes, flush eyes with plenty of water for 15 minutes. Seek medical attention.  
See MSDS for full product safety information. CHEMTREC: 800-424-9300

**PHYSICAL CHARACTERISTICS:** VOC Content: 0g/L. Product Type: Aqueous acrylic floor polish. Odor: Mild.  
Appearance: Off-white, opaque liquid.

**STORAGE:** Protect from freezing.

**SHELF LIFE:** 1 year in unopened container.
